Dear Madam Mayor:

**Re: Property Tax Relief for Business**

The COVID19 pandemic is having a significant impact on many Mississauga businesses. This is affecting their cash flow and ability to keep up with many of their payables.

The City of Mississauga is in a position to help businesses by waiving late payments and charges for property tax payments and working with business on payment plans that will fit their needs.

The Mississauga Board of Trade would request that the City of Mississauga formalize a tax payment deferral program for business immediately.

Thank you for your assistance in this matter.

Yours truly,
