Dear Chair Iannicca:

Re: Region of Peel Utility Bills

In this unprecedented time of the COVID19 pandemic, businesses are extremely worried about their ability to pay their bills and continue business operations.

Many businesses will receive bills directly from the Region of Peel for water, wastewater and storm water charges.

As an interim step at this time, the Mississauga Board of Trade is calling on the Region of Peel to allow for a sixty (60) day deferral of payment of said bills from their due date without interest or penalty being applied.

This will allow businesses a bit of “breathing room” at this time.

We sincerely hope the Region of Peel will permit this and that you will communicate this with the public as soon as possible.

Yours truly,
