

EMPLOYMENT ONTARIO

Employment Ontario is delivering a new Integrated Employment Service beginning January 2021, providing individualized services and support to 20,000 jobseekers across the Peel Region.

Our new model has been developed through consultation with local community agencies, employers and Service Providers to provide responsive solutions for jobseekers and employers in the Peel Region.

Together with our dedicated network of Service Providers, we are focused on achieving sustainable employment for job seekers and employers in the Peel Region. Our service delivery model enables comprehensive and coordinated support for jobseekers and provides confidence for employers seeking job-ready candidates at no cost. In this rapidly changing labour market, our service model is collaborative and responsive to the needs of all stakeholders.

Services will be delivered by 22 experienced Service Providers from over 33 locations across the region to support all residents including those with complex needs.

For further information on services please visit www.eoworks.ca or contact our Service Centre at **1-888-353-8140**.
